Millstone Medical Outsourcing Announces Olive Branch Expansion

Fall River, MA – September 1, 2015 –Millstone Medical Outsourcing announced today that the company has secured an additional 120,000 square feet in Olive Branch, MS. Now totaling over 270,000 square feet, Millstone’s Olive Branch facility has added the capacity required to meet the high demand of controlled environment warehousing space.

“This expansion gives us the opportunity to grow in parallel with our customers,” says Karl Neuberger, President of Millstone MS. “Two and a half years ago we were operating only 46,000 square feet of space. The growth of Millstone the past few years has been tremendous and we are excited to continue on this upward trend for years to come.”

This marks the second expansion for the company in 2015. In Q1 of this year, Millstone completed a 40,000 square foot expansion of their headquarter facility in Fall River, MA, bringing an additional 10,000 square feet of class 10,000/ISO7-rated cleanroom capacity to the location. The company is currently completing validations and the cleanroom will be ready for production in Q4.
