FOR IMMEDIATE RELEASE

Millstone Medical Outsourcing Announces Team Member Promotions

Fall River, MA – March 31, 2014 –Millstone Medical Outsourcing is pleased to announce the promotion of three team members. These individuals have excelled in serving Millstone customers and have led the consistent growth of the organization for the past several years.

Carrying 23 years of experience in medical device roles, Millstone’s Brad Schwarz has been promoted to Chief Operating Officer of all Millstone locations. Tom Williams and Karl Neuberger will both take on the role of President serving each of Millstone’s geographic regions. Tom will lead Millstone’s Massachusetts facilities and Karl, Millstone’s Olive Branch, MS facility. Tom and Karl will be responsible for delivery of services, management of personnel, and will lead all customer communication.

“We are very fortunate to have the talent and leadership that these individuals represent,” says Kelly Lucenti, Corporate President of Millstone Medical Outsourcing. “These promotions recognize each of their contributions to the success and development of Millstone and reflect their hard work and dedication to our entire organization.”

About Millstone Medical Outsourcing

Millstone Medical Outsourcing is a leading provider of customized outsourcing solutions to the medical device industry. With a client roster of over 50 prominent companies in the orthopedic sector alone, including nine of the top ten, Millstone delivers superior quality service, unparalleled expertise, and guaranteed ROI. The company offers advanced inspection, sterile and non-sterile packaging, loaner kit processing, and distribution services to device and product manufacturers worldwide. Millstone is privately-held and operates state-of-the-art facilities in Fall River, MA, and Olive Branch, MS. The company is FDA registered and ISO certified by BSI, Inc. to ISO 13485: 2003.
