Millstone Medical Outsourcing is looking for an energetic individual to join its Sales team. Millstone is a fast growing, fast paced medical service provider for the top Orthopedic companies in the industry. Millstone's business focus is sterile and non-sterile packaging of medical devices. Millstone also engages in other activities, such as mechanical inspection and assembly, which are designed to meet the outsourcing requirements of medical device manufacturers seeking to reduce costs while maintaining high levels of quality, accuracy and timeliness. We are FDA and ISO registered and employ a detailed internal quality system to ensure ISO compliance.

Working collaboratively within the inspection team, the Mechanical Inspector is responsible for verifying product, labeling and packaging specification per the customer's and Millstone's specific requirements. Attribute & mechanical inspection of medical instruments & other medical products. Experience with optical comparators, calipers, GD&T, micrometers & plug, ring & thread gages.

Responsibilities

- Verifying products, labeling and packaging
- Inspecting medical instruments and other medical products

Required Knowledge and Skills

- High School diploma or equivalent
- Ability to use scales/gauges/calipers/micrometers
- Ability to read blueprints

Basic Qualifications

- Intermediate math skills (geometry and formulas)
- Intermediate computer knowledge including Microsoft Word and Excel
- Ability to read and follow all department procedures
