Millstone Medical Outsourcing is looking for an energetic individual to join its Quality Department as QA Specialist. Millstone is a fast growing, fast paced medical service provider for the top Orthopedic companies in the industry. Millstone's business focus is sterile and non-sterile packaging of medical devices. Millstone also engages in other activities, such as mechanical inspection and assembly, which are designed to meet the outsourcing requirements of medical device manufacturers seeking to reduce costs while maintaining high levels of quality, accuracy and timeliness. We are FDA and ISO registered and employ a detailed internal quality system to ensure ISO compliance.

The QA Specialist works within a team environment across multiple sites to investigate and determine root cause and develop and implement corrective actions.

Responsibilities

- Facilitates Millstone's CAPA system
- Participates in internal and external audits
- Performs special projects as needed within the Quality Department

Knowledge and Skills

- 3-5 years of relevant experience required
- Bachelor's degree required
- Excellent verbal and written communication skills
- Excellent interpersonal and customer service skills
- Exceptional attention to detail
- Ability to work in a team environment is essential.
- Ability to multitask and complete work independently is crucial
- Excellent problem solving and decision-making skills
- Experience in ISO 13485 and FDA environments is required

For Additional Information:
