Millstone Medical Outsourcing is a fast-growing company in need of motivated individuals to assist in its expansion. We are currently seeking a full-time Laboratory Analyst to join our team. Millstone Medical Outsourcing's business focus is sterile and non-sterile packaging of medical devices. Millstone also engages in other activities, such as mechanical inspection and assembly, which are designed to meet the outsourcing requirements of medical device manufacturers seeking to reduce costs while maintaining high levels of quality, accuracy and timeliness. Millstone Medical Outsourcing is FDA and ISO registered and employs a detailed internal quality system to ensure ISO compliance.

### **Responsibilities:**

We are seeking a candidate who is eager to pursue an extremely rewarding career in the medical device industry. The individual in this position will be responsible for assisting the Operation department with the following duties:

- Conduct and troubleshoot a variety of technical laboratory procedures and equipment.
- Execute protocols in the evaluation of purified water endotoxin concentrations and medical device packaging materials, components, and systems.
- Utilize aseptic technique to prevent contamination during sample collection and processing.
- Conduct investigational studies and process improvement studies; assist in engineering validations.
- Author laboratory and technical reports to document test results.
- Provide recommendations to processes to increase efficiencies utilizing LEAN methodology.
- Perform other related work as required or requested.

### **Knowledge and Skills:**

- Bachelor's degree in Biology is preferred
- Prior experience working in a laboratory environment
- Experience with endotoxin testing and/or tube readers/plate readers
- Comfortable using a micropipette
- Ability to record and interpret test data and compile reports
- Knowledge of GMPs (Good Manufacturing Practices)
- Proficient in the use of Microsoft based applications
- Ability to work in a team environment and willingness to work in other areas as needed
- Excellent communication skills

**For Additional Information:**
