Millstone Medical Outsourcing is seeking top talent to add to its Olive Branch team as an Operations Manager. Millstone Medical is a fast growing, fast paced medical service provider for the top Orthopedic companies in the industry. Millstone's business focus is sterile and non-sterile packaging of medical devices. Millstone also engages in other activities, such as mechanical inspection and assembly, which are designed to meet the outsourcing requirements of medical device manufacturers seeking to reduce costs while maintaining high levels of quality, accuracy, and timeliness. We are FDA and ISO registered and employ a detailed internal quality system to ensure ISO compliance.

#### RESPONSIBILITIES:

- Responsible for the daily operations of his/her department
- Work with various customers and must meet the specifics/requirements of each unique, individual customer
- Recognize and solve problems affecting operations
- Plan & maintain schedules, directing the work of employees and training.
- Perform a variety of tasks and relies on extensive experience to plan and accomplish goals
- Visual inspection of medical devices and instruments which requires the ability to detect defects. 20/20 or corrected 20/20 vision is required.
- Track work hours for direct reports using ERP software and provide metrics to senior management
- All other duties as assigned

#### KNOWLEDGE & SKILLS:

- Bachelor's Degree with 3+ years of prior operations experience
- Must have a Mechanical aptitude

- Good at solving &/or anticipating potential problems
- Must be an excellent multi-tasker while maintaining high efficiency & attention to detail
- Successful at implementing change when necessary
- Possess advanced arithmetic skills
- Must be proficient with computers and have an advanced ability to create spreadsheets & other business documents
- Familiarity of Enterprise Resource Planning (ERP) software
- Ability to follow procedures, Good Manufacturing Practices (GMP), and written instructions in English
- Advanced familiarity with printer function & ribbon loading
- Ability to read, write, & speak in English
- Perform heavy lifting on a frequent basis (50 lbs.)
- 20/20 or corrected 20/20 vision is required
