Millstone Medical Outsourcing, headquartered in Fall River, MA is looking for an energetic individual to join its Quality Team as Quality Assurance Sterility Specialist. Millstone is a fast growing, fast paced medical service provider for the top Orthopedic companies in the industry. Millstone's business focus is sterile and non-sterile packaging of medical devices.

Millstone also engages in other activities, such as mechanical inspection and assembly, which are designed to meet the outsourcing requirements of medical device manufacturers seeking to reduce costs while maintaining high levels of quality, accuracy and timeliness. We are FDA and ISO registered and employ a detailed internal quality system to ensure ISO compliance.

Job Description:

- Primarily responsible for writing, reviewing and approving sterility validations and quarterly dose audit reports
- Able to provide guidance to Millstone's clients on sterility validation and QDA requirements within the medical device industry
- Oversee and participate in the post sterilization release process
- Leading any CAPAs related to environmental or sterility related excursion
- Support Millstone's environmental monitoring program
- Participate in special projects and various quality system elements (CAPA, audits, etc.) as needed within the Quality department
- All other duties as assigned

Skills Required:

- Bachelor's degree in Microbiology along with 4+ years of experience is required
- Experience in ISO 13485, ISO 11137 and FDA medical device sterilization is required
- Optimal candidates will possess excellent verbal and written communication skills as well as interpersonal and customer service skills

- Must possess a high attention to detail and the ability to work in a team environment are essential
- Ability to multitask and complete work independently is crucial
- Excellent problem solving and decision-making skills are needed

Additional Information:

Millstone Medical Outsourcing offers a competitive salary, health, dental and vision benefits beginning on the first day of employment and 401K with company match. Other benefits include paid vacation, paid sick time, holiday pay and voluntary benefits in addition to an employee-centric work environment.
